

SERVICES GUIDE

Music that moves, rooms that remember.

Room-aware open-format music, confident hosting and professional sound from the first guest arrival through the final song.

OUR APPROACH Vinyl-rooted technique, musical storytelling and international residency experience shape every set. The goal is to read the room, support the event flow and create a memorable experience rather than a one-size-fits-all playlist.

Common planning questions

Music + hosting

- Requests, must-plays and do-not-play preferences are planned with the client.
- MC style is confident and guest-focused, with event-specific announcements.
- Explicit-content, cultural and accessibility requirements are confirmed in advance.

Venue + technical

- Separate ceremony locations, outdoor sound and room transitions are scoped before quoting.
- Power, weather, access, parking, curfew and sound restrictions are verified.
- Overtime, travel, lodging and add-ons are documented before the event.
